The history of Georgia in the United States of America spans pre-Columbian time to the present-day U.S. state of Georgia. The area was inhabited by Native American tribes for thousands of years. A modest Spanish presence was established in the late 16th century, mostly centered on Catholic mission work. The Spanish were largely gone by

Introduction Background. In May 2006, a small group belonging to the Human Development and Capability Association (HDCA) met together for a few days at Oxford to work on making the association more dynamic, in the hopes of promoting 'research from many disciplines on problems related to impoverishment, justice and well-being'.
