In Defence Of The Terror

The purpose is to reappraise the terror which was unleashed and put a human face on it, to explain the motivations and justifications for the violence. In this respect the author accomplishes what the title of the book indicates -- a defense of terror, specifically, the terror which followed the French Revolution.

In Defence of the Terror: Liberty or Death in the French ...

Provocative reassessment of the Great Terror as a price worth paying For two hundred years after the French Revolution, the Republican tradition celebrated the execution of princes and aristocrats, defending the Terror that the Revolution inflicted upon on its enemies. But recent decades have brought a marked change in sensibility.

Verso

One of the first things to notice about 'In Defence of the Terror' is that the provocative title is exclusive to the English edition. The original French title of 2003 literally translates as, 'Liberty or Death: Essay on the Terror and terrorism'.
