Keeping My Sisters' Secrets. Eva, Peggy and Kathleen were sisters born into a close-knit working class family, living in a tiny terraced house in a street so rough the police would only walk down it in pairs. As they grew up between the wars, they dreamed of escaping their violent father and the crime-ridden slums of Waterloo.

well written novel, with
likeable characters.

This book is more of a
"beach read" than
anything else. It is a
story about two
generations of a family,
3 sisters, Faith, Hope
and Charity and
Charity's daughter,
Willow. The novel
switches between past
and present day time
lines narrated by both
Charity and Willow.
