The people that are feeding you the information on things that I like - love life, believe in yourself, be motivational, give your time to things and meditate - they're all older people who are well into their 50s and have had careers, and for me, at this point, I'm the young ambassador for this whole lifestyle of making your mentality a reality.

Love Life Quotes - BrainyQuote

A simple life is not filled with complications and distractions, it is a life that is lived focused on things that matter to the person. It can also have varying extremes. For some, it's as simple as cutting their cable bills and getting rid of the TV, while others can go as far as living "off the grid."
