Mentors play an important supporting role for beginning teachers as they navigate their way through the Victorian Institute of Teaching (VIT) process for full registration as a Proficient Teacher – this process is organised around the AITSL professional standards.

A Reflective Guide to Mentoring and being a teacher-mentor

There is a strong correlation between effective mentoring, servant and transformational leadership. We need to look at our leadership development programs to make sure that we have a mentoring component in the program to reinforce the characteristics that we are looking for in our leaders today and in the future.
