Michals Destiny

Michal's Destiny, Book 1 is by Roberta Kagan. This is a work of fiction but it does a good job of depicting the life of the Jews prior to World War II in Russia and in Berlin. It shows the good and bad sides of Jews who are strictly religious and those who are not religious at all. Both sides can have both good and bad people among them.

Michal's Destiny by Roberta Kagan

First of all, there is much to like about Michal's Destiny. The characters are well drawn and sympathetic, the writing is engaging, and the book focuses on a less known part of Jewish history. I enjoyed it enough that after reading the first few chapters of the free copy, I splurged and bought the actual book from Amazon.
