Mitsubishi Electric is a world leader in air-conditioning systems for residential, commercial and industrial use. Our efforts to make indoor life more comfortable began in 1921, with the introduction of an electric fan. It became an instant hit, and a little over 10 years later we started making coolers.

Air-conditioning Systems - MITSUBISHI ELECTRIC

Wall-mounted air conditioning units are simple to install and can be placed subtly, high up on a wall. This saves space and prevents a large appliance from blocking your view of outside. Plus, if you want to conserve a little energy, you will be able to open your window for some fresh outside air.
