Loved the plot, the characters and the world that was created and developed by this author. I enjoyed reading the entire ten-book series. That said, I have two criticisms: 1. The story could have been told in five or six books instead of ten. Really, it did drag on unnecessarily which made it difficult not to skip pages. 2.

Nemesis was the first British ocean-going iron warship. She was the largest of a class of six similar vessels ordered by the 'Secret Committee' of the East India Company. Nemesis, together with her sister ships Phlegethon, Pluto, Proserpine, Ariadne, and Medusa, was built by John Laird's yard at Birkenhead. Launched in 1839, the Nemesis was deployed to China – arriving late-1839 – and ...
