It's a different corporate structure. Being a nonprofit doesn't change the need to make money to pay for the people, time, and resources needed to produce journalism. It also doesn't change the economics of journalism or its value as an economic good.

## **The promise of nonprofit journalism » Nieman Journalism Lab**

Journalism's core norms and values haven't changed much since the University of Missouri took steps to professionalize the practice with the founding of its journalism school in 1908. The seemingly uncomplicated basic news values, and the more nuanced cultural news values identified by Herbert Gans, were shaped within Jim Crow's life cycle.
