The Sea of Lost Girls by Carol Goodman begins with a similarity to The Lake of Dead Languages which I had read quite recently. It had same boarding school scenario on the edge of a lake, same set up of an alumni teacher, a teacher with a disturbing past and hidden lies surrounded by legends and missing girls that until about 30% into the story ...

The Lost Sea part of the tour is towards the end and involves a walk down the equivalent of 13 flights of stairs. The guides offered people who didn't want to walk it the opportunity to wait at a specific point for us to return. As you descend you'll see a still that was once used to make moonshine in the area and this is where on our tour ...
