Too Much and Not The Mood comes as a welcome reprieve at a moment when personal essays are often cloyingly concrete. Chew-Bose offers something looser, more abstract, a window into process, almost as if we are walking inside of the body of the writer as she thinks through things, doubles back on her ideas, and leaves some of them unfinished.

Too much time allows time for your mind to run wild. Stay active, don't let yourself idle time to just sit and think. Interact with people, go to events, or volunteer at your local library. Find ways to serve others, so you're not focusing on yourself. 3 - Control is overrated.

10 Red Flags You Think Too Much (and How to Quit Overthinking)

Too much wealth concentrated in the hands of too few, makes the American dream unattainable for everyone else. The dream of seeing your children attain a better life than you is a human dream of every parent. Equality and justice for all cannot exist when too few have too much, and the majority have too little.
