of personal freedom is indelibly etched on the American consciousness. 'We need the tonic of wildness,' Thoreau wrote in Walden, and by turning his back on town amenities to build a house on Walden Pond in 1845, he helped shape our notions of the individual, subsistence, and a moral relation to nature.

individual's responsibility to himself, to society and to the world at large. The seasonal cycle of the book sort of drills down into contemplation, so that you are eased into winter, and deeper thought. Whenever I pick up Walden, I always expect an ecstatic tract a la Muir, and forget how humorous Thoreau is.
